Sir,-

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Ref. - 74717.

Sir,-

Re N.E.¼ 31-9-11-W.4th Meridian.
Patented homestead.

I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers who obtained patent or become entitled thereto on or before the 1st January, 1925, the right to take up a second homestead on the usual homesteading terms.

Therefore, if you are the same person who obtained patent for the quarter section above described and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for one vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

If you are indebted to this Department for seed grain or relief, the land taken under authority of this letter will be subject to such indebtedness.

Your case was being dealt with under the amendment made to the Dominion Lands Act in 1923 and the S.E.¼ 25-81-21-W.5th M. was being reserved for you until you had furnished evidence that you had become divested of all interest in your patented holdings in the "Dry Area". You will now be given ninety days from this date within which to appear before the Agent or Sub-Agent of Dominion Lands for the district and make formal application for homestead entry for the quarter section that has been reserved for you -- surrendering this letter to the Agent. If you do not still wish to obtain this quarter section, please advise this Department immediately so that the land may be otherwise disposed of.

Yours obedient servant,

SENT

S.W¼ Sec. 24, Tp. 31, Rge. 16, West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Mr. J.[illegible] Moore,
Secretary,
Provincial Relief Adjustment Board,

Dear Sir:

Re: Wm. A. Crockford.
S.E. 18 & S.W. 19-13-4-4.
Joint Relief Advances.

The above party obtained the following Joint Relief advances giving as security liens on the title to the above land.

Joint Relief.	
Apr. 5/20	141.55
Apr. 25/21	50.00
Feb. 22/22	30.00
Mar. 10/22	22.55
Mar. 25/22	72.00
May 1/22	10.00
	[illegible]
Int. Mar. 31/31	[illegible]
	367.55

Title to the above land was subject to a mortgage registered by the Prudential Life Assurance Company prior to the liens under which foreclosure action was instituted in 1917 with the result that title was vested in the name of the Company free of all liens.

Early in the 1920's the debtor abandoned his operations in the part of the Province in which the above land is situated as a result of almost continuous drought conditions and moved further north in the hopes of being able to re-establish himself under more favorable circumstances. He moved from time to time and eventually all trace of him was lost, his present whereabouts being unknown.

As no security remains and as there is no possibility of satisfactory repayment under the personal covenant I would recommend that the balance outstanding be written off.

Provincial Relief Grain advances of two thousand, one hundred

cont.

Cont. —-o-- 450-C-1

and thirty-three dollars and fourteen cents ($2133.14)
have already been cancelled.

Yours very truly,

TEMPORARY

Form No 7

Supplementary to Bd. O. No. 1997, dated December 7th, 1929, the Tax Consolidation Board, hereby recommends that the sum of $50.00, be accepted in full settlement of the personal covenant of W. H. Childress, for Seed Grain and Joint Relief advances made to him on the security of the S.½, 4-10-8-W. 4th Mer., and that with the pro rata distribution of this amount as herein provided for the debtor be released from any further liability under his personal covenant.

The Board submits in support of this recommendation.-

1. That under Board Order No. 1997, it was recommended that the Seed Grain and Joint Relief Liens charged against the S.W.¼, 4-10-8-W. 4th Mer., be adjusted at the sum of $399.49, being the pro rata distribution of the sale of the said quarter section by the Department of Municipal Affairs, and it was further recommended that upon payment by the Department of this amount, out of the proceeds of the sale of said land that the liens be discharged.

2. That it is understood that this recommendation has been accepted, and the terms thereof are being complied with, and payments made on account thereof, as the purchaser carries out the terms of this Agreement.

3. That Board Order No. 1997, also provided for the discharge of the liens charged against the S.E.¼, 4-10-8-W. 4th Mer., and it is understood that this recommendation was accepted.

4. That Board Order No. 1997, provided that after giving effect to the adjustment provided for therein any balances remaining unpaid be retained against the debtor under his personal covenant, until a further recommendation was submitted in connection therewith.

5. That the debtor has now applied for a compromised settlement of the claims chargeable against him under his personal covenant.

6. That practically all of the advances were made to the debtor in his capacity as Administrator of the Estate of the late W.H.Childress, and not for his personal account.

7. That through crop failures and other causes the debtor lost all his land and then moved to the Lethbridge Northern Irrigation District, where he is endeavoring to re-establish himself.

.....

8. That the debtor has not met with much success and taking into consideration all the conditions prevailing it is considered that the sum of $50.00 represents the full amount it is possible for the debtor to pay for the discharge of his personal covenant, and it is desirable that this amount be accepted in full settlement of his account on compassionate grounds, so that the debtor will be in a better position to re-establish himself.

9. That the accounts so paid be apportioned,-

To Seed Grain $23.39
To Joint Relief 26.61

The Board confirms the recommendation contained in Board Order No. 1997, in so far as the land mentioned therein is concerned, and further recommends that the sum of $50.00 be accepted in full settlement of the personal covenant of the debtor W. H. Childress, also that one-half the amount apportioned to Joint Relief Liens, as herein provided for be remitted to Ottawa, under the terms of the Agreement now in effect.

The Board further recommends that with the payment of the sum of $50.00, the debtor be released from any further liability under his personal covenant.

Dear Sir:-

Re: W. H. Childress,
S.½-4-10-8-W.4th Meridian,
Provincial Seed Grain and
Joint Relief Indebtedness.

Certain advances were made by the Provincial Government upon the security of the above land, and on August 16th, 1929, I submitted a report to your Board in this connection wherein it was stated that the S.W.¼-4-10-8-W.4th Meridian, had been sold by the Department of Municipal Affairs for the sum of $800.00, which amount it was recommended be distributed on a pro rata basis between the taxes and various liens. Your Board was pleased to approve of this recommendation and on December 7th, 1929, Board Order numbered 1997 was issued authorizing removal of the liens, in so far as W.H. Childress' advances were concerned, from title to the above land upon application thereto of the following amounts from out the sale of the property.

Provincial Seed Grain:	$216.05
Joint Relief	183.46

This Board Order also calls for the retention of the balance of this account until such time as the personal covenant can be disposed of.

W.H. Childress has now approached the Department in connection with his personal covenant and has tendered the sum of $50.00 with the request that this be accepted in settlement thereof and a release of all liabilities in respect of the undermentioned advances.

In submitting this application W.H. Childress points out that he was acting as Administrator for the estate of W.E. Childress at the time all these advances were secured with the exception of that for $26.61 which represents his own personal indebtedness. Owing, unfortunately, to a series of drought failures he was unable to pay the taxes due by the estate to the Province with the result that the land was taken over under Tax Recovery proceedings and disposed of as previously stated.

Childress then moved to the Lethbridge Northern Irrigation District where he has experienced considerable difficulty in re-establishing himself owing to the high charges levied by the way of water rates, etc., and I am satisfied that his offer now made in the sum of $50.00 represents the best offer he is able to make in settlement of his own personal covenant. I would therefore recommend that his offer be accepted, that the sum of $50.00 be applied to :-

Seed grain	$23.39
Relief	26.61

and that when the deferred payments due from the sale of the S.W.4 has been duly applied to this indebtedness the undermentioned balance which will then be outstanding including interest to March 31st, 1931, be written off as uncollectible there being no further security therefor. The write off appears as :-

Re: Account of Leo Nowak,
NE 4-9-9-W4.

Dear Sir:

During the years 1911 and 1915 while homesteading the above mentioned land, Mr. Leo Nowak received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $918.09 of which $298.30 is principal and $619.79 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

REMARKS That the Minister apportion and adjust the Federal indebtedness so that upon application of the sum of $100.00, the debt will be paid.

Order-in-Council P.C. Minister Dated 27/3/36

Although Mr. Nowak is now receiving the Old Age Pension from the Federal Government his wife is many years his junior and it will not be eligible for assistance under the Old Age Security scheme of the Government of Canada for twenty years (20). This makes it difficult for this family to do much more than mark time and precludes them from enjoying a standard of living on the farm which is now enjoyed by most dwellers even in small villages throughout Canada viz:- running water and inside plumbing. In addition Mr. Nowak has been greatly troubled with rheumatism for a long time which makes it difficult for him to get about much. He asked me to get in touch with the department and offer to them the sum of $100.00 as settlement for this outstanding account in the hope that, owing to the circumstances under which he has been working during these many years your department will accept a compromise of this account and enable him to get his land in shape that will enable his wife to carry on and make at least a living for herself in case of his death. At this point Mr. Nowak was able to deliver some wheat to the elevator the entire sum of which he is passing on to the department in this certified cheque.

Trust that some compromise will, and can be made for this family."

Information received from the Secretary-Treasurer of the Rural Municipality of Bow Island No. 13, Bow Island, Alberta, in 1952, shows that the assessed value of each of these quarter-sections is only $670.00.

The nominal sum of $100.00 has been received in full settlement of our account. Under the circumstances and in view of the low value of the land, this is considered equitable.

Re: Account of Leo Nowak
W½ 4-9-9-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1911 and 1915 seed grain, fodder and relief amounting to $298.30 were advanced to Leo Nowak on the security of the N.W. 4-9-9-W.4th and later the liens became attached to the S.W. 4-9-9-W.4th. No payment was ever made on this indebtedness until the sum of $100.00 was received when the standing of the account was:-

Principal	Interest	Total
$298.30	$619.79	$918.09

In reply to our recent inquiry concerning the Federal indebtedness charged against this land, Millar Agencies, Real Estate and Insurance - Bookkeeping Service, Bow Island, Alberta, on the 5th of March, 1956, wrote:-

"Re:- Your file No. 1796916
W.½ 4-9-9-4 Leo Nowak a/c

Mr. Leo Nowak received your letter relative to the Seed Grain and fodder advances he received from the Department of the Interior during the homestead days of 1911 to 1915 the principal sum being approximately $300.00.

Mr. Nowak has had a very difficult time ever since he located on the W.½ 4-9-9-4 south of Winnifred, Alberta. In the early days it was drought, grasshoppers, then cut-worms hail and other hazards which kept him poor as well as the distance from the market town or village, this all made it expensive to make a living.

As the years went on Mr. Nowak got married and all his family are now married except one son, this son is now almost 21 years old and he now does the field work on the farm but Mr. Nowak never seems to be able to get a decent living for himself and wife as the son must get wages and on a grain farm with only around 250 acres under cultivation the returns to Mr. Nowak is small even with the wheat quota deliveries it is impossible to have much with which to meet and clean up debts or old accounts if same are not in some way adjusted to suit his present income.

Sir,-

N.E. ¼ Sec. 3 Tp. 33 Rge. 7 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

Bailey on May 27th, 1911. Cancellation proceedings were instituted in 1922 as the entrant had not complied with the terms of entry. The entry was cancelled on March 29th, 1923. It was then entered for by Harold McDevitt on April 18th, 1923. He finished the necessary cultivation and residence to enable him to apply for patent which he did on March 22nd, 1927.

When Mr. McDevitt states that he filed on this land previous to 1920 he is clearly mistaken but it is possible that the land he has in mind is the N.W. ¼ Section 5, Township 39, Range 8, West 4th Meridian. This land was patented to the Canadian Pacific Railway Company in 1906, and appears to have been purchased either from the Railway Company or a later owner, by Mr. McDevitt, as in his application for patent for his homestead, he stated that he had been farming this quarter section which he called "purchased land." Mr. McDevitt, on January 6th, 1916, enquired about the S.W.¼ Section 32, Township 39, Range 7, West of 4th meridian. But this land was held by another man to whom it was afterwards patented.

Yours very truly,

J. Lorne Turner,
Registrar of Lands.

That I made entry for the above-mentioned land as a Homestead at the Dominion Lands Office at Edmonton on the 15th day of Dec. 1924

and I now ask to have entry cancelled for the following reasons, namely:—

(1) Excessive valuation placed on improvements by Inspector of Homesteads and causing delay in getting Title completed.

If this question is not answered, abandonment will be considered unconditional and land will be disposed of by Department accordingly.

(2) No revenue

(3) I have made no improvements

(4) I would ask for extension of my entry; as I expect to apply for other lands.

That I have not received, directly or indirectly, nor have I been promised, nor do I expect to receive any consideration of any kind for allowing said entry to be cancelled.

And I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath and by virtue of the Canada Evidence Act.

Edmonton,

Sir:-

For the guidance of School Boards wishing to obtain the title to a school site on unpatented Homestead lands the following suggestions are offered:

The Board should make application to "The Secretary, Department of the Interior, Ottawa", describing the parcel they wish to acquire by Quarter-Section, Section, Township, Range and Meridian, and stating whether it is situated on a corner, and if so, on what corner of the Section or Quarter-Section, or if on one of the outer boundaries, its distance along the boundary from the nearest Quarter-Section corner. The dimensions of the sides of the parcel must also be given. In the event of the Quarter-Section in which the parcel applied for is included being entered for as a Homestead or Pre-emption, or held as a purchased Homestead, it will be necessary for the entrant to file in the Department of the Interior his written consent to the land which it is desired to secure being withdrawn from his entry for the purpose for which it is required.

I may say further that a patent fee of $10.00 must be remitted to the Department of the Interior, Ottawa, and it is customary to limit the grant to two acres.

As security liens were filed against the above described property, and in case of the S.E. 15-12-7-W.4th, represents the first charge thereon. This particular quarter-section now stands in the name of the Crown and in the Right of the Province, having been taken over under the provisions of the 1932 Tax Recovery Act

In as far as the S.E. 15-12-7-W.4th, is concerned, the liens were eliminated by foreclosure of a mortgage which was registered prior to the liens.

After the debtor failed in his farming operations, and left the land, steps were taken to realize on certain chattels given as collateral security for the relief advances, and the amount obtained from this source was only twenty-six dollars and fifteen cents, ($26.15) shown to be credited on the above statement. There is no knowledge of the present whereabouts of O'Connor.

There would appear therefore to be only the S.E. 15-12-7-W.4th, remaining as security for this account. This land which is in a dry district, just west of Medicine Hat, is now administered by the Department of Lands and Mines of the Province, and in common with Provincial land situated in the dry areas, leased to one of the remaining settlement a nominal rental for grazing purposes.

There is little possibility that sufficient revenue will be realized from this very source to permit of any payment in this account, which I would therefore recommend be written off, and the liens released.

Sir,-

I beg to send you herewith a schedule of lands in your district which it is desired to set apart for public shooting purposes. Please make a careful note of this matter in all your records relating to these lands.

The Head Office files relating to the lands are being called for, and you will be further advised in the case of individual parcels if the file shows any other disposition of the land.

If, in any case, you know of any reason why the land should not be reserved for public shooting purposes you should report fully to the Department.

Please report promptly to the Department when you have noted the reservation and checked up the attached list with your records. You should at the same time inform the Department whether there are any lands in your district other than those mentioned in the enclosed schedule which according to your records are being reserved for public shooting purposes.

In reference to the lands in the schedule which are held under entry please note that no further applications are to be received from any person to cancel existing entries. Where notice has already been issued to any registered applicant for cancellation calling upon him to come forward and make entry the right so conferred is not withdrawn, provided it is exercised within the time specified in the notice. Generally speaking this reservation will not be held to take away or impair existing rights on the part of any person by virtue of an application actually made by him or of a notice actually issued to him by the Department prior to the date upon which this reservation becomes effective.

Should any of the land now under other disposition become available by reason of the cancellation of the existing entry, etc., there being no applicant, you should refer here before disposing of the land, mentioning this letter.

Sir,

In S.E. 1/4 Sec. 12 Tp. 6 Rge. 24 W4

Application No. 13430

Homestead entry of J. Anderson

Date of entry 14 April 1910

I beg to call your attention to the fact that this entry is now over five years old. Unless the Attorney commences proceedings at once in the matter of failure to apply for patent and at the same time instructs a Homestead Inspector to report

If a defence is filed and if the Inspector's report shows no duties performed, you may at the end of sixty days and on receipt of the required report, carry out cancellation if aware of no reason to the contrary, dealing with the land and reporting your action here in the usual way.

In all other cases where a defence is filed or where the Inspector's report shows any duties performed, you should refer the matter to this office.

In every case the Inspector should give full information as to the nature of the land, as to climate prevailing in the form of report for that purpose. The fullest possible information should be given in regard to duties and improvements.

Inspector should make careful enquiry to find out whether the entrant may possibly be on military service or may be a retired officer.

In any case where there is some special condition existing which would cause it to be unfair to cancel the land in the ordinary way, such as illness, the report should contain full particulars so that it may be referred here before any action is taken.

A copy of my letter of even number to you should be sent here in regular post without delay.

Your obedient Servant,

The Agent of Dominion Lands,
Lethbridge
Alta.

Assistant Secretary.

Sir,

Referring to the cancellation proceedings outstanding against your entry for the above land, I am to advise you that a Homestead Inspector's report on this quarter section has now come to hand. According to this report you would appear to be seriously in default both as regards residence and cultivation duties, and your entry is liable to summary cancellation for failure on your part to apply for patent within five years of the date of entry. It has been decided however, to allow you a period of thirty days from this date within which to satisfy the Agent of Dominion Lands at Lethbridge, by a statutory declaration on the enclosed form, that you have gone into residence with the intention of remaining on your land, and completing your duties.

Please note that should you fail to comply with these requirements it may be found necessary to summarily cancel your entry.

Sir,

S.E.¼ 20-34-5-W.5th M.

I beg to acknowledge the receipt of your letter of the 7th ultimo wherein you make enquiry concerning the above described parcel of land.

In reply I may say that this quarter section was patented to Frank A. Coles on the 16th July, 1910.

With respect to the S.E.¼ 34-12-6-W.4th M., I may state that the part of this quarter section North of the River was patented to William Beard on the 11th February, 1910, and the lands in question are, therefore, no longer under the control of this Department.

That part, however, of the S.E.¼ 34-12-6-W.4th M., South of the River, would appear to be vacant according to the records here and for any further information relative thereto, I would suggest that you communicate with the Agent of Dominion Lands, Lethbridge.

File No. 1736874.

On examination of the title to the above land, I can find no record of a Seed Grain Lien having been charged to the same. However, a search of the General Register discloses the following:

Seed Grain Lien, John A. Anderson to Crown
Seed Grain $24.00, Fodder $6.80, Relief $111.60

Trusting this information will suffice in lieu of an abstract.

Re: Account of John A. Anderson
S.W. 34-12-6-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $142.40 were advanced to John A. Anderson on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 142.40	$ 263.27	$ 405.67

The S.W. 34-12-6-W4 was formerly the homestead entry of John A. Anderson on which security he obtained advances of seed grain, fodder and relief in 1915. His entry was cancelled on the 18th of June 1921.

The land is still vacant Crown land held in the right of the Province under the jurisdiction of the Department of Lands and Forests and as such no longer offers any security for our liens.

Under the circumstances it is recommended that the indebtedness be cancelled.

Re: Account of Leo Nowak,
NE 4-9-9-W4.

Dear Sir:

During the years 1911 and 1915 while homesteading the above mentioned land, Mr. Leo Nowak received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $918.09 of which $298.30 is principal and $619.79 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

J.K. LeCapelain,
Chief, Lands Division.

Sirs,

// Re:- Your File No. 179-1-6
S.W. 4-9-9-4 ... Nowak's

Mr. Leo Nowak received your letter relative to the Seed Grain and fodder advances he received from the Department of the Interior during the homestead days of 1911 to 1915 the principal sum being approximately $300.00.

Mr. Nowak has had a very difficult time ever since he located on the W.½ 4-9-9-4 south of Winnifred, Alberta. In the early days it was drought, grasshoppers, then cut-worms hail and other hazards which kept him poor as well as the distance from the market town or village, this all made it expensive to make a living.

As the years went on Mr. Nowak got married and all his family are now married except one son, this son is now almost 21 years old and he now does the field work on the farm but Mr. Nowak never seems to be able to get a decent living for himself and wife as the son must get wages and on a grain farm with only around 290 acres under cultivation the returns to Mr. Nowak is small even with the wheat quota deliveries it is impossible to have much with which to meet and clean up debts of old accounts if same are not in some way adjusted to suit the present time.

Although Mr. Nowak is now receiving the Old Age Pension from the Federal Government his wife is many years his junior and it will be not be eligible for assistance under the Old age Security of the Government of Canada for twenty years (20). This makes it difficult for this family to do much more than mark time and precludes them from enjoying a standard of living on the farm which is now enjoyed by most dwellers even in small villages throughout Canada viz:- running water and inside plumbing. In addition Mr. Nowak has been greatly troubled with rheumatism for a long time which makes it difficult for him to get about much he asked me to get in touch with the department and offer to them the sum of $100.00 as settlement for this outstanding account in the hope that, owing to the circumstances under which he has been working during these many years your department will accept a compromise of this account and enable him to get his land in shape that will enable his wife to carry on and make at least a living for herself in case of his death. At this point Mr. Nowak was able to deliver some wheat to the elevator the entire proceeds of which he forwarded on to the department in this certified cheque

Trust that some compromise will, and can be made for this family. //

Yours truly,

A Miller

Re: Account of Leo Nowak
W½ 4-9-9-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1911 and 1915 seed grain, fodder and relief amounting to $298.30 were advanced to Leo Nowak on the security of the N.W. 4-9-9-W.4th and later the liens became attached to the S.W. 4-9-9-W.4th. No payment was ever made on this indebtedness until the sum of $100.00 was received when the standing of the account was:-

Principal	Interest	Total
$298.30	$619.79	$918.09

In reply to our recent inquiry concerning the Federal indebtedness charged against this land, Millar Agencies, Real Estate and Insurance - Bookkeeping Service, Bow Island, Alberta, on the 5th of March, 1956, wrote:-

"Re:- Your file No. 1796916
W.½ 4-9-9-4 Leo Nowak a/c

Mr. Leo Nowak received your letter relative to the Seed Grain and fodder advances he received from the Department of the Interior during the homestead days of 1911 to 1915 the principal sum being approximately $300.00.

Mr. Nowak has had a very difficult time ever since he located on the W.½ 4-9-9-4 south of Winnifred, Alberta. In the early days it was drought, grasshoppers, then cut-worms hail and other hazards which kept him poor as well as the distance from the market town or village, this all made it expensive to make a living.

As the years went on Mr. Nowak got married and all his family are now married except one son, this son is now almost 21 years old and he now does the field work on the farm but Mr. Nowak never seems to be able to get a decent living for himself and wife as the son must get wages and on a grain farm with only around 250 acres under cultivation the returns to Mr. Nowak is small even with the wheat quota deliveries it is impossible to have much with which to meet and clean up debts or old accounts if same are not in some way adjusted to suit his present income.

../

Although Mr. Nowak is now receiving the Old Age Pension from the Federal Government his wife is many years his junior and it will not be eligible for assistance under the Old Age Security scheme of the Government of Canada for twenty years (20). This makes it difficult for this family to do much more than mark time and precludes them from enjoying a standard of living on the farm which is now enjoyed by most dwellers even in small villages throughout Canada viz:- running water and inside plumbing. In addition Mr. Nowak has been greatly troubled with rheumatism for a long time which makes it difficult for him to get about much. He asked me to get in touch with the department and offer to them the sum of $100.00 as settlement for this outstanding account in the hope that, owing to the circumstances under which he has been working during these many years your department will accept a compromise of this account and enable him to get his land in shape that will enable his wife to carry on and make at least a living for herself in case of his death. At this point Mr. Nowak was able to deliver some wheat to the elevator the entire sum of which he is passing on to the department in this certified cheque.

Trust that some compromise will, and can be made for this family."

Information received from the Secretary-Treasurer of the Rural Municipality of Bow Island No. 13, Bow Island, Alberta, in 1952, shows that the assessed value of each of these quarter-sections is only $670.00.

The nominal sum of $100.00 has been received in full settlement of our account. Under the circumstances and in view of the low value of the land, this is considered equitable.
